

	Request for Pre-Purchase Kit			
	Classification F	ID 1272	Revision 1	Effective Date 3/20/2025 1:56:50 PM

EQIAS Labs offers a Pre-Purchase Drug Screen for a fee of \$225 and turnaround time of 3 business days. The Pre-Purchase Drug Screen detects the presence of NSAIDs, long-acting tranquilizers, sedatives, corticosteroids, and some muscle relaxants (for a full list of analytes, please contact the lab directly).

EQIAS Labs also sells Pre-Purchase Drug Screening Kits for \$25. The kit contains all the supplies required for a veterinarian to collect and submit a blood sample for Pre-Purchase Drug Screening.

Pre-Purchase Drug Screening Kit Contents
